

# Science Kit Scheduling Form

Teacher Name: \_\_\_\_\_ Grade: 2

School District: \_\_\_\_\_ School Building: \_\_\_\_\_

School Phone (include extension): \_\_\_\_\_ E-mail: \_\_\_\_\_

Number of science classes you teach: \_\_\_\_\_ Estimated number of students: \_\_\_\_\_

| Kit Title                      | Scheduling Times                                              | Training                                                             | Comments                                                                |
|--------------------------------|---------------------------------------------------------------|----------------------------------------------------------------------|-------------------------------------------------------------------------|
|                                | <b>Directions:</b> Circle when you would like to use each kit | <b>Directions:</b> Indicate with an "X" if you have not been trained | <b>Directions:</b> Indicate number of kits needed (usually 1 per class) |
| 420 Plant & Animal Life Cycles | 9/8 to 12/3<br>2/28 to 6/24                                   |                                                                      |                                                                         |
| 424 Balancing & Weighing (STC) | 9/8 to 10/22<br>11/8 to 1/7<br>1/24 to 3/25<br>5/2 to 6/24    |                                                                      |                                                                         |
| 422 Mystery Animal Life Cycles | 9/8 to 12/10<br>2/28 to 6/24                                  |                                                                      |                                                                         |
| 425 Changes (STC)              | 9/8 to 10/22<br>11/8 to 1/7<br>1/24 to 3/25<br>5/2 to 6/24    |                                                                      |                                                                         |

**Please return this form to your Building Science Mentor. If you have completed more than one page please staple them together.**
